REMARKS: 20 Members of the Executive Council met with 25 3rd/1st ID soldiers for lunch. All of these soldiers will be deploying to Afghanistan in Jan 2011. The purpose of this event was to visibly show our concern for the Brigades deployment by eating with this grouping of soldiers. Each deploying soldier was presented with a Chapter Coin as a "Good Luck Piece". The discussions between EC members and Soldiers were quite meaningful. We believe these soldiers know and will pass along that we care about what they will be doing and will be in our thoughts and prayers. Also, \$500 and 4 memberships were presented to the Duke Association to be used in branding the Brigade Headquarters and building a Memorial Park. The Core Committee also presented a valuable framed print for use in branding. CSM Troxell, CSM, Accessions Command represented the Command and the Bde XO represented 3rd/1st ID.
