12 June 2008

On behalf of the Fort Knox High School Parent-Teacher Organization, I want to thank you for your kind and generous support to our 2008 Project Graduation.

Because of your continued support, this year we were able to provide some 80 graduating Seniors and their guests with a safe and substance-free environment to celebrate their graduation from High School, one of their first steps into adulthood!

Once again, we held Project Graduation for the Fort Knox High School Seniors at the Devers Youth Center on post, and it was a blast! Support from the Devers Center staff, the MWR personnel and many others helped make this a very entertaining and fun evening. The Seniors and their guests had a great time, and more importantly, their parents and guardians were able to sleep undisturbed, knowing that because of your support and donations, these young adults were safe for their evening of celebration!

We understand the fiscal pressures many businesses and individuals are feeling these days, which makes your donation all the more important. Your continuing support to the Project Graduation event is extremely important to us, as it not only supports the military community at Fort Knox, but helps us avoid potential tragedy. Please keep us in mind for next year as we continue the Project Graduation tradition into 2009 (our 13th year!).

Again, thank you for your continued support to Project Graduation and in particular, thank you for making a difference in the lives of our military families!

Cheers,

Chris Young

Association of the United States Army
Fort Knox Chapter
P. O. Box 92
Fort Knox, KY 40121

Dear Association:

Thank you very much for your generous gift of \$100.00, check # 6875 dated June 13, 2008. We welcome you as a Member of the Patton Museum's Saber Society – Bronze. We are very grateful for your support, which is significant to the future development of the museum. As you may be aware, the Federal Government funds all daily operations of the museum, however, the construction of the current building was funded with contributions from individuals, corporations, and foundations. As we plan for the future expansion and enhancement of the museum, we will once again be seeking gifts and grants to accomplish the task. With the wonderful participation by you and our many friends, we will create an even more outstanding armor museum.

All contributions to the Patton Museum Foundation a 501(c)(3) organization) are tax deductible. This letter will serve as your receipt for income tax purposes, and as an acknowledgement that you received no goods or services in return for your contribution.

Again, thank you for supporting the Annual Fund. We hope you will visit the museum often, and please, tell your friends and relatives to come and see us.

Warm regards,

Nancy Probus
Administrative Director
