

Show Your Support & Secure A Place in History

Our military men and women put their lives and their families' future in jeopardy everyday to protect and defend our nation.

Our Civil Service workers stand behind our military in support of their efforts.

The goal of the Hardin County Veterans Tribute is to honor the sacrifices and service of all United States veterans from each of the five military branches, and to say thank you to the men and women of the civil service. The Tribute offers an opportunity for you to show your heartfelt support for all men and women, living and deceased, who have contributed their all for our country's well-being and for our personal freedoms.

Show your support for our brave military and our dedicated civil service workers. Purchase an engraved brick or paver for the sidewalk surrounding the Veterans Tribute to honor:

- **A Distinguished Member of Our Army, Marines, Navy, Air Force or Coast Guard.**
- **A Respected Civil Servant**
- **A Beloved Family Member**
- **The Memory of a Loved One**

Also, a brick or paver makes a lasting birthday or holiday gift.

The Veterans Tribute will incorporate a limited number of bricks and pavers. Please place your order as soon as possible to assure inclusion in the granite & bronze Tribute.

Secure a place in history.
